Shelters

Our range of outdoor spaces provides an external meeting or classroom environment that protects from the seasonal elements come rain or shine.

All products are manufactured to the requirements of BS/EN 1176. All items come complete and ready to install with clear installation instructions. Timber is sustainably sourced and can be FSC® certified on request.

All components are pressure treated with leading wood preservative TANALITH. This advanced protection allows us to offer extensive warranties against the threat of wood decay and insect attack even in ground contact, providing a real assurance for you and your customer.
